<b>DOD: 9/18/2007</b>		<b>LAURA DOZIER</b> , surviving spouse/Administrator, is petitioner.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  <b>Continued from 6/22/15. Minute order states Counsel requests a 60 day continuance. As of 8/10/15 no new documents have been filed.</b>

Petition states the real property on South Cornelia was a single family residence, having been acquired by the decedent prior to his marriage (in April of 2006) to petitioner. Following the decedent's death, Petitioner continued to reside in the home with her sons, and over the next fifteen months paid the mortgage, taxes and insurance on the property. Petitioner was unable to continue to make the payments and as a result the home was foreclosed upon. Petitioner is requesting reimbursement of \$25,050.00 for paying the mortgage from her personal funds. The petitioner and her sons received a benefit from living in the estate property. It appears that the payments towards the mortgage could be considered rents for living in the estate's real property and therefore not reimbursed. - See declaration filed 10/27/14.</p> <p><b>Please see additional page</b></p>
<input type="checkbox"/>	<b>Aff.Sub.Wit.</b>	<b>Petitioner states</b> certain assets that were decedent's separate property constitute exempt personal property eligible to be set aside to the surviving spouse pursuant to Probate Code §6510. 			<b>File 1 – Dozier</b>

**Petitioner prays for an order:**

1. That the First Amended First Account and Report of Petitioner be settled, allowed and approved as filed;
  2. That all actions of Petitioner as Administrator, as set forth in the petition, account and report be ratified, confirmed and approved;
  3. That the Court confirm reimbursement to petitioner of costs and expenses in the amount of \$17,480.00, and that petitioner is owed a balance of \$35,758.09;
  4. That the exempt personal property described in the petition be set aside to the surviving spouse or alternatively that the gift of the exempt property to Chris Johnson prior to the decedent's death be ratified, and confirmed;
  5. That the administration of the estate continue.
- 

**NEEDS/PROBLEMS/COMMENTS (cont.):**

2. Petition does not indicate whether or not the residence was marketed for sale during the 15 months Petitioner and her sons resided there after the decedent's death. Probate Code §9600 states the personal representative shall manage the estate to the extent that ordinary care and diligence require that the power be exercised. It appears that ordinary care would include marketing the property for sale rather than letting the property be foreclosed upon. Need more information regarding this property. Was there any attempt to sell the property? - See declaration filed 10/27/14

**Declaration filed on 10/27/14** states the residence on North Cornelia was appraised at \$285,000 at the date of death. However, at the time it had two mortgages against it – one for \$250,338.60 and a second mortgage in the approximate amount of \$33,400.00. Decedent died just prior to the downturn in the market. Mrs. Dozier made the payments on the loans (\$1,370.00 and \$300.00 respectively) for 15 months. Mrs. Dozier tried to communicate with the bank after they began foreclosure proceedings, but they were unwilling to speak with her as administrator – nor were they willing to consider any loan modifications. The property was foreclosed on in October 2009. Public records indicate it sold for \$90,000.00.

Attorney Knudson states he considered filing for a probate homestead on behalf of his client, but that would have required Mrs. Dozier to take the property subject to the liens against it. It was determined that there was no benefit to her in requesting a probate homestead due to the encumbrances against the property.

Attorney Knudson states the Examiner questions whether or not Mrs. Dozier's request for reimbursement should be offset by the fair rental value of the property. Mr. Knudson states he is informed that the rental property was then not in excess of \$1,000 a month. Even with an offset for rental value, the administrator has made additional payments in trying to preserve the estate asset in the amount of \$10,500 over and above the rental value, and should receive credit for that amount of expenses paid.

**Declaration filed on 10/27/14 (continued):** With respect to the creditor's claim. Mr. Knudson is in negotiations with Fresno County Federal Credit Union, and will soon be filing a motion to set aside the default.

Mrs. Dozier has been advancing funds for the payment on taxes on the Madera County real property; it is not presently listed for sale because there does not seem to be any current market. While it has been used by third parties for grazing cattle, recent thefts of cattle in the area have curtailed its use, and it is not presently producing income.

**Declaration filed on 4/23/15** states an offer of compromise of the creditor's claim has been received by Fresno County Federal Credit Union and is being considered by the Administrator; hopefully the issues will be resolved within the next 30 days. The estate's real property in Madera County is in escrow. The escrow agent confirms that the sale is due to close prior to the end of April 2015. Wherefore is it respectfully requested that the First Account be settled.

**Declaration filed on 6/18/15** states at the hearing on 4/27/15, attorney appeared and advised the court that negotiations were continuing with Fresno County Federal Credit Union concerning the creditor's claim. Those negotiations are ongoing and will hopefully be resolved within two weeks. The Madera real property was sold and escrow closed 4/28/15. Administrator received a check for \$92,377.89. Finalization of the settlement of the Fresno County Federal Credit Union escrow is the remaining issue. Attorney Knudson requests continuance of 60 days to close the estate.

**Note:** If the petition is granted the court will set a status hearing for the filing of the petition for final distribution on **Wednesday, January 20, 2016 at 9:00 a.m. in Dept. 303.**

Pursuant to Local Rule 7.5 if the required documents are filed 10 days prior the date set the status hearing will come off calendar and no appearance will be required.

**The declaration filed 10/27/14 raised additional questions.**

1. Mr. Knudson states the Madera County property has been used to graze cattle and is not currently producing income. Was it ever producing income? No income is listed on the receipt schedule for cattle grazing.

File 4 – Smith

8. Petitioner ("Butch") is the beneficiary to Ben's estate.
9. Mike Smith, Sr., is the beneficiary to Dorothy's estate.
10. Both beneficiaries allege debts are owed to them by the other's estate. Any satisfaction of a debt owed to one beneficiary required diminishment of the other's estate. Consolidation of the two conservatorship estates will preserve comity and avoid inconsistent rulings.
11. There are common issues of fact (the ownership and disposition of the property held in the two conservatorship estates). These involve common questions of law and/or fact and should be consolidated to avoid unnecessary costs and delay.

***Legal Argument and Authorities provided.***

In Conclusion, **Petitioner states:**

Consolidation is proper in this circumstance. Consolidation will ensure concurrent administration of the estates. The two proceedings involve the same parties, witnesses, evidence, and questions of law and fact. Consolidation also will ease setbacks in providing an accounting and distribution of the two estates.

**Third Amended First Account and Report of Trustee of Edward Crable Special Needs Trust; Amended Petition to Settle Account**

<b>Age: 18</b>		<b>PATTI CRABLE</b> , trustee, is petitioner.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  1. The accounting does not balance. Total charges should equal total credits. Need amended accounting. <b>Note:</b> The summary of account listed on page 3 of the accounting does not match the Summary of Account on Exhibit A. These two should be the same.  2. The account indicates that the trust disbursed \$10,000.00 to the Leigh Law Group for legal services that resulted in the beneficiary being placed in a private out of state school valued at over \$50,000.00 that was paid for by the school district. Declaration of Jay Jambeck indicates that the placement was essential to the well-being of the beneficiary and the family agreed to pay the fees from the Special Needs Trust. However, it does not appear that a court order was obtained authorizing the payment and it is unclear whether this type of expenditure was authorized by the Trust instrument without a Court order. The court may require more information /authority for this expenditure. Further Notice of Hearing to the bonding company (International Fidelity Insurance Company) may be required.  3. It is unclear whether the remaining property on hand is held in a blocked account. The Summary of Account appears to indicate that there is approximately \$9,250.00 remaining in the Trust, but paragraph 14 of the Third Amended Petition states that the current value of the Trust is \$0.00. Need clarification. If the remaining funds (\$9,250.00) are not held in a blocked account, bond should be set at \$10,175.00 pursuant to CRC § 7.207.

		<b>File 11 - Moore</b>

1. The petition states the decedent's date of death was 4/14/14; however, the original and first amended petitions both indicated 3/14/14 as the date of death. What is the decedent's correct date of death?
2. The decedent's will is not self-proving. Although the will is not being admitted to probate, this summary proceeding does necessarily include a determination of validity of the will. See Probate Code §13151 and commentary. The Court may require Proof of Subscribing Witness (Form DE-131).
3. Petitioner, who is the sole beneficiary according to the will, is one of the subscribing witnesses. It is unclear if there are two other witnesses, or just one (illegible). The Court may require the Proof of Subscribing Witness to be signed by one of the other witnesses, and may also require clarification with regard to the presumption of undue influence as described in Probate Code §6112.
4. The petition is blank at #9a (1) and (2). Was the decedent survived by a spouse, or no spouse? If no spouse, was the decedent divorced or never married, or was the spouse deceased? If the spouse is deceased, need date of death per Local Rule 7.1.1.D. (Note: The original petition indicated divorced or never married, but the first amended petition and this second amended petition are blank.)
5. The petition is blank at #9a (3) and (4). Was the decedent survived by a registered domestic partner, or no registered domestic partner? (Note: The first amended petition indicated no registered domestic partner, but this second amended petition is blank.)
6. The petition is blank at #9a (7) and (8). Was the decedent survived by issue of a predeceased child, or no issue of a predeceased child? (Note: The first amended petition indicated no issue of predeceased child, but this second amended petition is blank.)
7. Petitioner does not state what the decedent's interest in the real and personal property is at #11 or #13. Did the decedent own a 100% interest in the real and personal property?
8. The APN provided for the real property at #13 is 465-212-03; however, the APN on the proposed order is 465-121-03. Need clarification: What is the correct APN for the real property?
9. Need Attachment 14, which should contain the names, ages, and addresses of all persons named in #1, #9, and #10, which would include the petitioner and the decedent's relatives (spouse, if any, children, and dates of death if deceased).
10. Petitioner states at #16 that she is the trustee of a trust that is a devisee under the decedent's will. That does not appear to be the case. The Court may require clarification.

## Petition for Letters of Administration

<b>DOD: 6/5/06</b>		<b>JAIME MICHAEL GONZALEZ</b> , Son, is Petitioner and requests appointment as Executor with Full IAEA without bond.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  Continued from 7/6/15. As of 8/10/15, nothing further has been filed.  <u>Need amended petition based on, but not limited to, the following issues:</u>  1. Petitioner does not indicate in the caption that he is seeking authorization to administer under the Independent Administration of Estates Act (IAEA); however, Petitioner checked box #2c requesting full authority under IAEA.  2. Petitioner requests appointment as executor, but indicates that the decedent died intestate. If there is no will, then it appears Petitioner should request appointment as Administrator, not Executor.  3. The petition is unclear at #3c re character and estimated value of estate. Petitioner indicates the figure "270,00" at both annual income and real property.  4. The petition is blank at #3d re petitioner's request to waive bond.  5.
